

ASTROFAX

... is the quarterly publication of the ASTRONOMY STUDY UNIT. We were chartered by the American Topical Association in 1972 and membership is open to any collector of astrophilately. Our web site is astronomystudyunit.net

Annual dues are \$8 (U.S.) or \$10 (Canadian), which includes 4 digital issues per year of Astrofax. Members are able to place free ads in Astrofax to buy, sell or trade related material.

ASTRONOMY & PHILATELY, Handbook 90, is a 76-page reference book published by the ATA in 1977 that includes checklists, biographies and special cancels. More of a historical treasure, it is available from the secretary/treasurer for \$5.

CHECKLISTS of astronomy stamps are continuously updated and available from the secretary/treasurer for \$5.

Won't you join us in the study of this celestial subject?
